Inclusive Skating hosts an ice skating event specifically targeted at those with genetic disorders. The inaugural Inclusive Skating for Genes British Championships 2017 took place as part of World Inclusive Skating International and British Championships, Glasgow 2017 at Braehead from April 11th to 14th 2017.

The event was funded by Genetic Disorders UK and the Jeans for Genes Day.

The 2017 event was also a Special Olympics Recognised pathway event and has been permitted by Special Olympics GB.

This new Inclusive Skating for Genes event will therefore compliment the established Inclusive Skating disability specific event structure.

Inclusive Skating host:

1. Inclusive Skating for Genes British Championships from 2017
2. Special Olympics GB National Competitions since 2012 and SO Recognised Pathway events
3. British Blind Sport National Championships since 2016
